

More detailed information

Language courses:

Access to the “General Integration Courses” of 700/900 hours from levels A1 to B1 with a Telc B1 final exam is only possible upon application to the Federal Office for Migration and Refugees if Ukrainian migrants have a fiction certificate or a residence permit. To participate in these courses, a consultation with the respective language course provider (Language Workshop GmbH, IN VIA Paderborn e. V. , SBH West GmbH, Lingua Masters, VHS) is mandatory.

Working in Germany:

With a residence permit according to §24 point 1 AufenthG it is possible to take up employment in Germany. Help can be found at the Paderborn Employment Agency.

The contact persons will advise you on career goals and development opportunities, help you with job search, give tips on applications, job interviews and the recognition of professional qualifications. There is also the possibility of additional financial assistance in finding a job.

Rabies vaccination in domestic animals from Ukraine:

All animals brought from Ukraine must be examined and registered in Germany.

An EU pet passport is issued and a chip is attached to the animals. The costs are borne by the district of Paderborn.

However, if an animal has to be vaccinated in this context, the vaccination against rabies is not included and must be carried out by the owner.
